Summer Lane Officer-Involved Death Case

The Commission reviewed, discussed, and made revision to the draft public report regarding the officer-involved death of Summer Lane on December 6, 2004.

Chairman Gardner said he would like to finalize the report at another special meeting on November 2nd.

Dr. Bailey spoke regarding the subpoena of the medical records for Officer Wilson.

Mary Shelton said that the one-year period between time of incident and time discipline can be imposed is not up. She said that there were some witnesses who didn't want to be interviewed by the CPRC investigator. She also noted that Mr. Grotness' attorney wouldn't let him be interviewed.

Ms. Shelton questioned the detectives' method of interviewing of Officer Wilson. She said that she felt the detectives were paving a way for the officer to get off. She said that leading questions are a recurring pattern. She also feels that the doctor who examined Officer Wilson may not be unbiased.

Mr. Dennis Lipper thanked the Commission for enlightening his family about the incident.

Adjournment

The Commission adjourned at 7:25 PM.

Respectfully submitted,

PHOEBE SHERRON
Sr. Office Specialist
